ACTION

1. Introductions/ welcome to the newly elected Youth Council.

A brief over view of the roles and responsibilities of the Youth Council
2. A short introduction to UKYP, directed to the web site
Young people who wish to stand for the UKYP were told to prepare a presentation for the next meeting
3. History of the European Union and why it was started
4. Youth councillors broke into smaller groups to discuss particular areas of European policies from which they would like to take forward to their European debate on the 9th May 2009
5. After feedback from the small groups it was decided that they would discuss the environment with special interest in global warming for their main topic subject in their European day debate which will take place on the 9th May at the Town Hall
- 6.
